Chapter 11: Tamako's Day Off

Tamako
Simply
Asks

Sakura Tamako
Assigned to the
Kouseisha
Light Novel
Bunko
editing
department.
Newcomer
editor.
The type who acts
before she
thinks.

Uh,
no
way.

Sakura,
could
you
come
into
work
tomor-
row?

Here is
The Self
Proclaimed
Obedient
Company
Worker

Takano Kenichi
An editor
belonging
to the
Kouseisha
Light Novel
Bunko
editing
department.
He became
Tamako's
coach,
so he
meddles
in various
things.
He seems
trouble-
some,
but he
wants to
try hard.

When
you're
done,
you can
go home
right
away.

There's an
important
client
coming.

I'm
gonna
fod
around
until I
collapse.
And I
have
movies
plans
too.

The
day
after
payday
is my
day off.

But my
day off
is more
important
than your
important
client!

You're
unbelie-
vable!

Extremely
Lenient
On Herself

These

What
Happened
During
Two Hours
Of Nothing

Hioaka Kanna
Tamako's friend.
She once gave up on becoming a mangaka,
but Takase became her editor
and she made a come back.
She outshone everyone
when she won the newcomer
award.

Fine
fine.

So curious...

Ah,
here!

Let's
have
food
here!

Analyze
why you
didn't
cry and
tell me,
okay?

I'm
also
gonna
watch
it.

Tamako,
The Evil
Face

No,
not
really.

Have you
decided
what you
want to
order?

Huuh,
looks
good.
Did you
come
here
for a
meeting
before?

The
author
I'm in
charge of
happens
to work
here.

Millord!?

Normal Merry-san

Why She Really Came To The Store

A word too much as she parts.

'Kin no Tamago'

You
seem
fine,
Tamako.

Okay,
tomorrow's
finally my
meeting
for volume
two of
Towerman!

Her Hell
Continues

Story-
board.
What'll
I do if it's
gonna
be like
this next
year
too?

Story-
board.

Story-

Get
assis-
tants,
go home,
story-
board.

I have
to do
story-
board
right
after
I get
back.

That
isn't
work!

I have
to go
home and
read light
novels and
watch
anime.

What
happ-
ened...

Inter-

train-
ing
is

I HAVE

A New Assassin

Tamako, who really didn't see this coming, says nothing.
